

Hello 7 Lakes! I've been an active and enthusiastic member of the seven lakes community since starting a shipping business 8 years ago in the Seven Lakes Plaza. It was an absolute pleasure to get to know so many residents here in the community through that business, and continues to be so after having transitioned to selling real estate full time as a broker at Everything Pines Partners. I bought my home on the north side over 2 years ago and was very happy to be able to call my previous customers my neighbors. 7 lakes offers so much to its residents with regard to amenities, community, privacy, and security. I'd like to consider myself "tuned in" to the various concerns of residents regarding the lakes, the roads, security, and spending. It would be a great honor to serve on the board to be able to serve and address this amazing community's needs while ensuring it continues to grow as one of the most uniquely beautiful, affordable, and inviting communities where residents truly feel at "home".
